

Dental Rewards[®]

Wouldn't it be great to be rewarded for practicing good dental health? You can. With Dental Rewards' increasing annual maximum feature, covered participants can "earn" additional money toward future years' annual maximums. That way, the money is available when you need it most.

plan highlights

- Available with virtually all of our dental plans
- Applies to Type 1, 2, 3 and 4 [Preventive, Basic, Major, and Select] dental procedures
- Qualify for rewards by:
 - Submitting at least one claim per year for a covered procedure
 - Keeping total paid claims under the plan's annual threshold limit
- Check your Dental Rewards benefit status online. It's easy!

PPO bonus

- "Earn" a bonus by making your annual visit to one of our Participating Provider Organization [PPO] providers, who charge reduced rates on covered procedures
- PPO and PPO Bonus are available in most states

example of how it works

Annual maximum for Type 1, 2 & 3 (Preventive, Basic, Major)	\$ 1,500
Annual dental reward (carryover) toward next benefit year	+ \$ 250
Next benefit year's annual maximum + dental reward	\$ 1,750

Please note: Annual benefit threshold limit is \$750 (keep paid claims at or below this limit to earn rewards). Annual maximum includes Type 4 (Select) procedures when applicable. Your annual maximum can increase up to \$2,500 total in this example.
