

# Prescription Savings

You and your covered dependents can **save on prescription medications at over 60,000 pharmacies across the nation** including CVS, Walgreens, Rite Aid and Walmart. This savings discount is offered at no additional cost and is not insurance.

Participating pharmacies will give you your normal health care pharmacy benefit, or the prescription discount, whichever saves you more. Even if you already have health insurance pharmacy benefits, you are welcome to check out this prescription discount.

You can receive up to 65% savings on generic prescriptions, and overall average savings of 40% across brand name and generic prescriptions combined.
