

Dental Rewards®

Simply by visiting a dental provider each year and submitting a claim, you can increase your annual maximum benefit to help pay for more expensive procedures in the future. Bank on it.

Dental Rewards in action

Earn rewards each year by visiting the dentist, submitting a claim and staying at or below the dental plan's **annual benefit threshold of \$500** for total claims paid during the year.

Over time, you can earn up to the **maximum reward accumulation of \$2000** to use after your dental plan's existing annual max benefit is used.

PLUS earn a \$100 dental network bonus for each year you visit an Ameritas network provider for dental care.

Qualify for Rewards By:

- Visiting a dental provider and submitting a claim at least once a year.
- Keeping your total paid claims for the year at or below the plan's annual benefit threshold.

Each plan member and covered dependent has his or her own annual maximum benefit and rewards bucket. So if you or a covered family member need a root canal or crown, accumulated rewards are there to help.

No Rewards are Earned When:

- Total paid dental claims for the year exceed the annual benefit threshold.
- There's no dental claim submitted during the year. If this happens, rewards are set to zero for the next year. However, you can continue building rewards again the very next year.

Check Your Benefit Amounts:

- Visit ameritas.com, Account Access (top of page), Dental drop down and log in to your Secure Member Account. Once signed in, select remaining benefits.
- Also access your benefit summary, certificate of coverage, claims history, ID card and go paperless option.
