

Is there someone in your life who suffers from hearing loss?

Give them, or yourself, the gift of hearing.

iHear is a unique hearing aid device. You don't need to visit an audiologist. Simply order your iHearTest kit online and, once you've taken the test from the convenience of your home, order your hearing aid online. At only \$499 per ear when you purchase a pair, iHear is more affordable than most other hearing aids and so small it's practically invisible.

Order your iHear device today at ameritas.com/listen.

For your convenience, iHear will pre-program your hearing aid for free. You can send in your audiogram, or take the iHearTest, and a licensed professional will program your device so it's sent to your door, ready to be used.
