

Ameritas Life Insurance Corp. of New York

State: New York

Network: Prime Classic (PPO)

The Prime Classic Participating Provider Organization (Prime Classic PPO) through Ameritas Life Insurance Corp. of New York (Ameritas of New York) is a network of qualified dentists who provide dental services at a discounted fee to qualifying plan members. Only dentists who adhere to credentialing and quality assurance requirements are able to join and remain in the Ameritas of New York Prime Classic PPO.

While plan members always have the right to receive care from any dentist they choose, out-of-pocket costs will almost always be lower when choosing an in-network provider. The Prime Classic providers offer the largest discount available through your plan. A list of additional network providers on the Ameritas of New York Classic Network can be found at www.ameritas.com.

There are frequent additions to the dental network. When choosing a provider, please call our Customer Connections department at 800-659-5556 to verify the provider's participation. We also encourage you to confirm participation with your provider at the time of your appointment.

If you have questions about a claim or your plan benefits, please call the toll-free number on the back of your identification card.
